President, Chief Executive Officer, Membership Coordinator

**From: Foundation Health and Heart**

President, General Secretary, International Development Coordinator (Member of Management Board)

### **WORLD HEART FEDERATION**

### **FOUNDATION HEALTH AND HEART**

**is sending the**

appreciation to the World Heart Federation's efforts in improving of global public health and in context of the celebration of the World Heart Day 2014

**We are grateful**

to the World Heart Federation for accepting us as a member and helping us to grow and develop as a regional foundation

**We initiated**

following joint inter-foundational program based initiatives:

- The World Point, as an educational, development and technological Center with focus to the needs of developing countries
- Global Health Development Found-fund that would facilitate implementation of relevant public health programs

**We suggest** to the World Heart Federation;

- To establish the World Heart Federation's Award for advancement in Public Health related to cardiology field
- To establish «Hymn of the Heart», a.k.a. the «Heart beat»

Looking forward to receive your feedback and to start working on operational implementation issues in the relevant time frame if the consensus is reached
